## BEHAVIORAL HEALTH SERVICES

Email us at [CovidRelief@myacc.org](mailto:CovidRelief@myacc.org)

ACC's Oakland County COVID-19 Relief Fund, in partnership with United Way for Southeastern Michigan, will provide a virtual meeting with a licensed mental health professional for essential staff and residents in Oakland County who are dealing with mental health needs.

*A trained professional will explore what services may be needed and will help provide information to help connect you with a treatment provider*
